CHAIR D SURGEY, R BATTY, T WILDGUST, R FEGAN, C BOWN, H ATHERTON

MEMBERS OF THE PUBLIC IN ATTENDANCE.... NONE

NSDC RICHARD MARSHALL & MICHAEL READ

NUMBER	AGENDA ITEM	DISCUSSION/DECISION	ACTION POINTS.
1	Apologies For Absence	None all in attendance	
2	Declaration Of Interest	Cllr H Atherton re planning application point 10	
3	To Approve The Minutes Of The Last Meeting	Minutes were approved and signed by chair	Sent to D Surgey for website inclusion
4	Public Participation	No members of the public attended	
5	HR Committee Report	Further documentation added, see attached report	
6	NSDC TPO Inspector	Following a request from the parish council Richard Marshall & Micheal Read from NSDC Planning attended the meeting they gave a in depth power point presentation of who they are, what they do and how it all done. Richard Marshall apologised to the council for letting lapse the enforcement at the former shire pods site for the illegal removal of a protected tree.	Replacement tree and hedging expected towards end of year, cllrs to monitor.

		The parish council accepted his apology but he was under no illusion that we were not happy about this. This tree is to be replaced with a suitable replacement, and are advised that the landowner is now fully abreast of the TPO, the landowner has also said he will reinstate the hedge along the front as well. Further clarification was asked regarding the cutting down of trees to the side of the unit. Again an apology as the extra to the original application had not been filed , this is to be looked into. In addition to this a member of the public had raised questions over the demolition of a property on Laynroni, Tuxford road, the PC unaware of any planning application, bought up with Richard Marshall	Richard Marshall looking into this and will advise accordingly
7	Playing Field /Inspection	Two new trees have been planted at the far end of the playing field. Willows were chosen due the wetness of the ground, these have been attractively enhanced by surrounding the bases of the tress with miniature privit. Monthly checks of equipment have been completed no issues found. Ground still boggy in places. New bin added, other bin secured to post. Cllr Atherton was nominated to sand down and re paint the rusty goal posts, Cllr Wildgust offered his assistance also. We have been donated 4 benches by Dawn and Richard all members of the parish council are very thankful for this donation. Cllr Atherton has sourced quotes for thew upkeep of the playing field this turned out to be very costly Quote Each cut would be £75+vat Annual Inspection £295+vat	Completed by Cllr N Batty Completed by Cllrs R & N Batty Completed by Cllr N Batty To be completed by end of April Awaiting delivery Currently free only costs the fuel Way above our usual of around £100

8	Pinfold	As the better weather is upon us we are keen to progress with the pinfold, the piles of stone and soil need removing. Stone to be saved. Cllr R Batty said he will remove this and level the ground out. The north side requires shrubs, Cllr N Batty & Cllr H Atherton to sort. A bench and lecturn information board are planned. Ideas for the floor of the pinfold welcomed from residents, this need to be of minimum upkeep as volunteer's for up keep are few. Volunteers to help with work greatly appreciated. The daffodils planted have come through at back of wall hopefully the rest will bloom as the tear progresses!	TBA
